

Training Solutions

½ Day Fire Warden Training

Who Is This Course Designed For?

Any worker requiring general fire safety awareness and responsible persons new to the fire safety warden role, or those who need to update their knowledge.

Fires and explosions are a major causes of injury and property damage in the UK.

Knowing how to identify a fire risk, and what action you should take in the event of a fire will help protect you, your colleagues and visitors from the devastating effects of fire

About the Course

- > Duration: half day
- > Format: Face-to-Face or remote online learning
- > Refresher training recommended every 3 years

What Do I Do Next?

If you would like a course exclusively run for your employees at your business premises, we would be happy to arrange this for you. Prices for a closed course are available on application.

Please call **01522 690 237** or email Elizabeth Turner at elizabeth.turner@pibrm.com to discuss further or book a place on one of our open courses.
