IOSH Managing Safely

Who Is This Course Designed For?

Team leaders, supervisors, managers and heads of departments. This course is ideal to get delegates to effectively manage their teams' safety and health. A practical programme, full of step by step guidance.

Managing Safely has a sharp business focus. The hands on, jargon free format engages and inspires, and has helped a huge range of businesses to raise standards of safety and health. The course gets delegates really thinking about what they are learning, and gaining the confidence to put their new skills into practice when they are back at work. This is a great introductory health and safety management course which covers the basics in a high impact interactive package.
