

Training Solutions

½ Day – CDM for Principal Designers

Who Is This Course Designed For?

This half-day course is aimed at those required to have an in-depth understanding of the roles and responsibilities of a 'Principal Designer' as defined within the Construction (Design & Management) Regulations 2015.

Basic knowledge of the Regulations and HSE Guidance prior to undertaking this course is desirable to get the most from this course.

The course will be both theoretical and practical in nature containing examples and exercises for delegates to work with.

About the Course

- > Duration: Half day
- > This event is suitable for 10-15 delegates.
