

Training Solutions

Health and Safety Awareness (CITB)

Course Aims:

This course highlights potential hazards when working on site and provides practical advice on keeping yourself and your colleagues safe.

It covers your individual and employer's responsibilities, including what you can do if you think anyone's health and safety is being put at risk.

This course provides health and safety awareness and is endorsed by Build UK as standard training for all operatives on site.

Business Benefits include

- > BUILDUK recognizes this course as meeting the required standard for operatives working on BUILDUK sites.
- > CITB grants are available for eligible employers

About the Course

- > Duration: 1 day
- > CITB regulated
- > Refresher training required every 5 years

What Do I Do Next?

If you would like a course exclusively run for your employees, at your business premises, we would be happy to arrange this for you. Prices for a closed course are available on application.

Please call **01777 861861** or email our training department at sales@pibrm.com to discuss further or book a place on one of our open courses.

Course contents:

- > The need to prevent accidents
- > Health and Safety law
- > How your role fits into the control and management of the site
- > Risk assessments and method statements
- > Performing safely and asking for advice
- > How to report unsafe acts to prevent an accident

The course can be held at any of our offices (Retford, Halifax, York, London) or at an alternate location which suits you as the Client or the delegates (if an 'Open' course).

Multiple choice test and practical exercise.
