Level 3 Award in Paediatric First Aid (RQF)

Who Is This Course Designed For?

The Early Years Foundation Stage (EYFS) Statutory Framework requires all early years providers in England to have at least one person who has a current and full paediatric first aid certificate on the premises and available at all times when children are present. Providers should also take into account the number of children, staff and layout of the premises and increase their paediatric first aid provision accordingly to ensure that a paediatric first aider is available to respond to emergencies quickly.

Registered childminders and assistants who are required to hold a current and full paediatric first aid certificate in order to comply with the EYFS requirements.

Anyone who has a non-professional involvement with infants and children, such as parents, grandparents and want to learn key paediatric first aid skills.
