What Do I Do Next?

If you would like a course exclusively run for your employees at your business premises, we would be happy to arrange this for you. Prices for a closed course are available on application.

Please call **01777 861861** or email our training department at sales@pibrm.com to discuss further or book a place on one of our open courses.

What Is Covered?

- > Have an increased awareness of the nature and properties of asbestos and its effects on health, including the increased risk of lung cancer for asbestos workers who smoke
- > Be familiar with the types, uses and likely occurrences of asbestos in buildings and where appropriate, items of plant

Know how to avoid the risks from asbestos by understanding;

- > Where to obtain information on asbestos in premises prior to commencing work
- > What to do if suspicious materials are found
- > How to use appropriate workplace precautions, including the risk assessment process, or seek advice on workplace precautions, in respect of the risks of asbestos
- > Undertake work activities in a safe manner and without risk to themselves or others.
- > Have an awareness of the key aspects of the asbestos regulations and how they fit into the broader context of health and safety legislation.
- > Procedures to be followed when coming into unintentional contact with ACMs and an understanding of the appropriate emergency arrangements .
